The plain and simple conflict of interest guide is for editors who want to engage with the Wikipedia community about a subject with which they are affiliated. The Wikipedia guideline is Wikipedia:Conflict of in-

terest. It advises editors with a conflict of interest (COI) to disclose the conflict, and to post editing suggestions on talk pages and noticeboards instead of directly editing affected articles.

To wit, the concept of splitting writer and publisher income on a 50/50 basis is a strong one and still exists in almost every area of the music publishing business. Even if you, Joe Schmoe, wrote a song, and even if you started your own music publishing company, Schmoe Songs, there is still the traditional splitting of income.

The Plain & Simple Guide to Music Publishing is simple and clear for the lay songwriter to gain a crucial understanding of musical copyrights and licensing basics. The
